February 2019

Gala table sponsors and donation of cash/items for a charity fundraising auction

Dear Supporter,

Fins Attached is a non-profit organization in good standing in the state of Colorado. Additionally, Fins Attached is a 501(c)(3) non-profit as a registered charity with the IRS. This means that all donations are tax deductible as allowed by law.

The mission of Fins Attached is to conduct research, promote conservation, and provide education for the protection of the marine ecosystem. We believe in the preservation of our world's precious resources and, through the protection of the oceans' apex predators, the marine ecosystem balance can be maintained for the benefit of all living things on earth.

If it weren't for the dedicated volunteers of organizations such as Fins Attached, the survival of sharks in the marine ecosystem would be in jeopardy. Our mission activities are made possible through the generous funding we have received from members of our community and the supporters from around the world like yourself.

Our annual silent auction fundraiser is coming up on April 13, 2019, and it is fundraisers like these that enable us to continue the vitally important work of shark research and conservation. We rely heavily on the donation of auction items from friends and supporters of ours, as well as monetary sponsors to support the event. We are reaching out to you in request for the donation of items as prizes for our annual auction, or cash donations to fund prizes. In addition, should you wish to attend, we offer the opportunity for you to sponsor the event with the purchase of 10 places at a sponsored table. This year we have several high-profile guests, including Hayden Panettiere, and more details about the gala can be found at <https://finsattached.org/event/saving-seas-mile-high/>

Not only will your donations benefit Fins Attached and the work that is being done for our world's oceans, but it will also benefit your business through the marketing value that you will receive from the auction event. Our annual auction is very well attended and is supported by people throughout the State of Colorado, as well as out-of-state donors and supporters. You will also receive promotional value through our online presence (Website, Facebook Page, Press Releases, etc.) and promotion of the auction!

If you have any questions regarding Fins Attached or the auction, please feel free to contact us at info@finsattached.org. If you can support us through the donation of auction items or financial funding, we would highly appreciate it, and so will the Sharks!

Yours sincerely,

A handwritten signature in cursive script that reads "Alex Antoniou".
